ES5 elite series
CUSTOM MONITORS

FIVE-DRIVER DESIGN
SUPERIOR SOUND ISOLATION

The premier custom in-ear musicians' monitor for any performing artist.

The **ES5** was designed to deliver sound quality, clarity and response comparable to monitors with more drivers - at a much more affordable price. With 25dB of ambient noise reduction and the long-wearing comfort only a custom earpiece can provide, the **ES5** is the clear choice for the most discriminating musician and for any personal listener looking to upgrade with a high-end, well-balanced custom earphone.
